

**Announcement of tender no. 04/PROMOVE/2020**  
**for the selection of an Implementation Partner**  
**Primeiras and Segundas Islands Environmental Protection Area – APAIPS**

In 2018, the Government of Mozambique signed a financing agreement with the European Union for the PROMOVE Biodiversity project for the provinces of Zambezia and Nampula, with the Biodiversity Conservation Foundation - BIOFUND being chosen as the financial mechanism for implementing the project and the National Administration of Conservation Areas - ANAC, for the strengthening of institutional capacity, establishing appropriate mechanisms for the participation of public, private and community entities. BIOFUND is responsible for the selection process for implementing partners as well as for the monitoring and evaluation and follow-up of project activities.

BIOFUND in partnership with the National Administration of Conservation Areas - ANAC, hereby invites all interested bodies, with the desired profile, to present a single technical and financial bid for the implementation of the subvention, entitled “**Implementation Partner** for the Primeiras and Segundas Islands Environmental Protection Area – APAIPS, in the districts of Angoche, Larde, Moma and Pebane, in Nampula and Zambézia provinces” under the Project “PROMOVE Biodiversity”, financed by the European Union.

The terms of reference and conditions for presenting the bids can be requested from BIOFUND, through the email [projectos@biofund.org.mz](mailto:projectos@biofund.org.mz).

The deadline for clarifying doubts is **5 January 2021**, at 16:30, through the address [projectos@biofund.org.mz](mailto:projectos@biofund.org.mz).
